

Transcript for Recycle week – When Lisa met Dexter, aged 3

Lisa: Hello everybody. Im here with 3 year old Dexter, Who is brilliant and goes about doing litter picking with his mummy. He does lots of other things too, like grows vegetables in his garden. What have you grown Dexter? Them red, round things – what are they? Tomatoes. What kind of things do you pick up when you do litter picks?

Dexter: Cans

Lisa: What are they made out of?

Dexter: Metal

Lisa: Metal, brilliant. Can you recycle metal cans?

Dexter: No

Lisa: Oh you can, as long as the nice and clean. What about plastic?

Dexter: Yeah

Lisa: Yes. Do you like litter picking? Do you think it makes the world a bit prettier not having all that litter about?

Dexter: Dexter nods

Lisa: And that's why you do it isn't it? Yeah. Ah, thank you Dexter. You're a great example to together everyone recycles.
